#### GLENER PENSION:

September check was held, till further direction given, attorney suggested we pay the match to Gleaner (Eileen-2189.01 and Katie-674.12) according to research done by Rob it was not taken out of checks in fiscal year 2020, 2021 and 2022, it went back into check or out in social security. He suggested we continue until March of 2023 then put back into payroll program to be taken out properly in 2023/2024. Since no money was turned in the interest cannot be calculated by Gleaner. Attorney suggested to put together a number for Eileen and Katie, present it, if they approve, have them sign an agreement written by attorney. Also, Brent Illig was never taken out of program, he needs to be exited out. Brenda Simmons asked where interest will be paid from? "don't know". Gleaner sends statements yearly, to which Mahl says she has not received, she will reach out to Ashley for copies of statements and exit paperwork

#### PUBLIC COMMENT :
